

## BEYOND ABC Book & Audio CD

Bright illustrations and super stories make this sequel to the ABC Book ideal for young children moving beyond a-z. Featuring 22 essential letter combinations, it provides memorable reasons to explain why many letters change their sounds when they meet each other in a word.

Suitable for ages 4+.

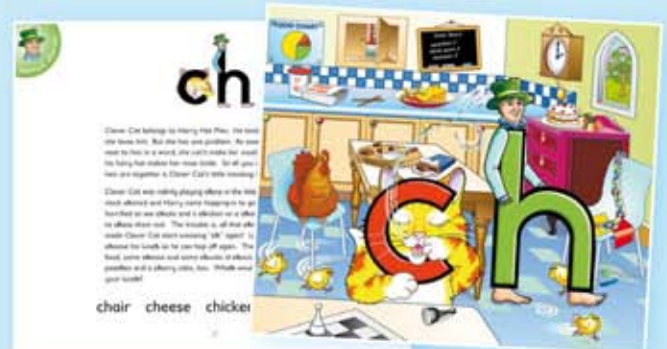

### Selling Points

- ✓ Brand new content for 2011
- ✓ Audio book CD brings the familiar Letterland characters to life!
- ✓ Children can listen along to the stories as they look at the book
- ✓ Colourful, engaging illustration throughout
