What a fine day to be outside in the sunshine. Max is flying his kite and just back at the pond on Gutterton Girl's face as she rides her bike in the countryside. She loves riding her bike and always wears her special striped helmet. Can you ride a bike?

Ph I has stopped under a glass tree to look at the bees coming out of the hive. She decided to have an apple and got out her knife to cut a slice but then a little mouse arrived to take a bite! Can you feed all the mice? The mice like apples, and maybe also grapes as there is a mouse climbing on the vines. But do you think they like bees?

Can you find nine bees in the picture? Have you ever tasted a bee? Try adding a slice to your water some time!
