

Numbers

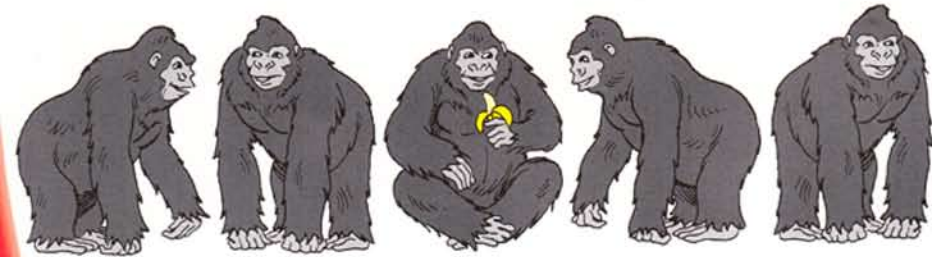

Count the things starting with Golden Girl's sound. Write the correct number in each box, or place the correct number sticker on it.

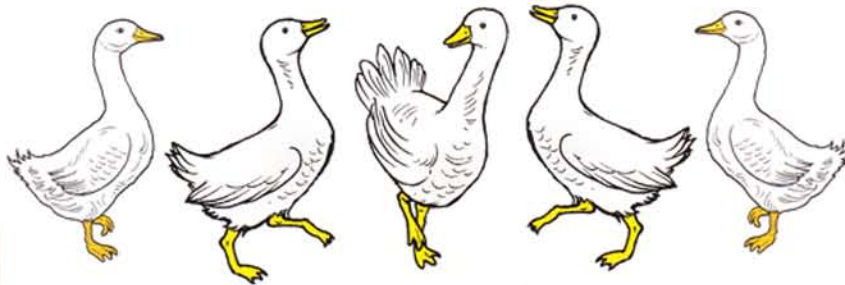

goats

grasshoppers

gorillas

geese

Golden Girl is thinking about the number eight. Trace over the number and letters, starting at the dots.

Trace over each number eight below.

Colour in Golden Girls' grapevine. How many bunches of grapes did you colour?

Write the number in the box.

Note to Parents: Counting items and writing the answers in the boxes is a satisfying way to develop number skills and promotes the enjoyment of using numbers.
